Sir:

In the Notice of Allowance and Issue Fee Due mailed on 11/3/2006, the title of the invention is indicated as being "Stacked Semiconductor Packages". The Applicant believes that this title is incorrect. The originally-filed title of the invention is "Hue Adjusting Lighting System". During the prosecution of the Application, an alternate title has not been suggested by either the Examiner or by the Applicant.

No other changes are proposed for the claims, drawings, or the application.
